## GREEN AND GOLD SQUAD HAVE SOME HEAVY MEN

The football eleven of the Maile Athletic Club have a number of heavy men and it looks as though they will take the honor of the heaviest team from the H. A. C. lads. Although the Maile boys are heavy they are filled with a fighting spirit which is necessary to good football material. The Mailes have many of good men and will present a strong "line up" on Thanksgiving Day. Captain "Ben" Clark is running the team in good shape and fast play may be looked for. Coach Benson is working on some new plays and promises some surprises on the 24th. On account of their heavy weight the Mailes will in all probability play a bucking game.

The Punahou have developed a style of end running which is sure to net them many a gain this season. They have a light, fast team and it will be hard for the opponent to stand the end rushes of Punahou's fast backs. Crabbe, the Myrtle oarsman, is showing, up well and no doubt will make the first team. Spivako of Stanford University will also be seen behind the line and it is with such men as these that the "Blue and Buff" hope to carry home championship honors.

### Kam-Punahou Football.

The Kams and Punahou meet for their second game on Punahou field Saturday at 3:30 p. m. In the first game the Punahou team won by a score of 11 to 0. Since that time the Kam team has made a wonderful advance in its playing. The boys are now in much better shape.

This game will be watched with interest, as it comes down to a championship affair. If Punahou loses, the Kam boys will be tied with them for first place, and, if the Punahou boys gain a victory, it will mean the championship for them.

This has been the most successful season that the Interscholastic League has ever had. There are larger crowds witnessing the games and much better ball is being played than ever before. The Kams and Oahu College both have strong material and would make a good snowing against any of the league teams.

The hardest fought game of the season may be looked for Saturday and the team that wins will realize that they have had a fight. Every inch of territory will be disputed.

The Kams have such men as Meyer, McCandless and Morton. They are fast and furious line smashers. Meyer is a star player and should be in one of the big teams.

The Judd boys, Pa. Ahrens and Larsen are all playing well for Punahou and with such men as these the College should make a good showing.

### Harvard Kept From Scoring.

CAMBRIDGE (Mass.), November 5.—Harvard and Dartmouth fought without score today, with the honors of the game slightly in favor of Dartmouth. Both teams put up a strong defense. Harvard reached Dartmouth's nine-yard line and lost the ball on downs, and Dartmouth met the same fate on Harvard's eighteen-yard line. It was a rushing game, with spectacular runs and very little kicking. In the plunges to the line Dartmouth averaged nearly three and one-half yards to a rush, to two and one-half for Harvard. The only brilliant run of the game was Vaughan's forty-yard dash around Harvard's right end, while Glaze's try for a field goal from Harvard's forty-five-yard line was an exciting moment. The ball missed the goal-post by a foot.

The second half was devoid of interesting plays. Dartmouth rushed 56 times for 164 yards, kicked three times for 108 yards, and had 18 first downs and was penalized twice for 25 yards. Harvard rushed 66 times for 163 yards, kicked five times for 155 yards, had 20 first downs, and was penalized six times for 30 yards.

### McFadden-Castro Attract Interest.

The local sports are awaiting the sound of the gong that will call Castro and McFadden to the center of the ring. They are all anxious to see the new arrival in action. It has always been admitted that little men put up the best contests on account of their quickness. McFadden is a fast man with both his hands and feet, and fights so hard that the "Frisco" people style him the "Sorrel-top Demon." He is a game Irish lad brought up in a part of "Frisco" where the boys learn self-protection as soon as he learns to walk. McFadden has a long string of victories to his credit, having fought some of the good men both in the East and West. When his brother the "Kid" was champion of the world, Jack acted as his sparring partner and the two were in action the spectators could not tell them apart.

An even match as to height, weight and reach could not be made. Castro

place in this country, and Bowker has consented to give him a chance to win back the title.

The Britt-Gans fight continues to be a theme for discussion and opinions of the affair are so numerous that a man can surely find some one to agree with him, no matter what view he takes of the affair. That Britt should have fouled so palpably after being repeatedly warned is a common cause of complaint among those who placed their money on Britt, and it is very evident that it will require a long time to heal the breach between Jimmy and the cronies who wagered on him.

One of the arguments used is that Britt was incited to infractions of the rules by some of the men who were

### Swimming Races On Saturday.

On account of the Sunday law, the championship 100 yard swimming race and the Healan-Myrtle relay race will take place on Saturday afternoon at 4 p. m.

Renear, Kopke and Kimokeo are all training hard and faithfully for their event and a record will surely be established that will stand for many a day. All three men are in the finest kind of condition and could enter the water at a moment's notice. This race is creating almost as much interest as the McFadden-Castro boxing contest. Two championships will be decided on this day—the 100 yard swim and the feather-weight boxing.

Opinion as to the merits of the above three men is about evenly divided, each having his backers. Kopke is a slight favorite on account of his new stroke and recent racing experience on the Coast. Renear is no novice at the game and will give a good account of himself. Kimokeo showed his quality when he defeated Renear some years ago and if he is in shape will make things interesting for both Renear and Kopke.

The Healan and Myrtle teams are

is probably the stronger of the two but has not the fighting cleverness of the shifty "Frisco" lad. Castro feels confident that he will win and is already figuring on a return match with Modlin. He is in better condition than he has ever been in before, having had more chance to train on account of not working. Those who have visited Castro's training quarters were surprised to see the improvement he has made. He is much quicker on his feet and more shifty with his hands.

The articles of agreement call for straight rules and the boys must fight all the time as well as protect themselves at all stages of the game. This style of milling, just suits Castro as he claims to be a fighter and not a boxer. Jim Fox will referee the contest and besides there will be two judges to help decide in case the fight goes the limit. Fox says the men must do their best or they will be disqualified.

The new quarters of the club afford an ideal place in which to hold a contest and preparations have been made to seat a large crowd. The club members are exerting themselves to make this first show a success and guarantee everyone his money's worth who will buy a seat.

The advance sale of seats is being held at Woods & Sheldon's Sporting Goods store. Seats are selling rapidly and indications are that there will be a full house.

### The Ring.

NEW YORK, Nov. 2.—Jem Bowker, the English bantamweight pugilist who recently won the championship of the world by defeating Frankie Neil, the American champion, has decided to come to this country prepared to meet all comers. F. B. Bettinson, manager of the National Sporting Club and manager of Bowker, sent a cablegram to Charles Mathieson, American representative of the National Sporting Club, announcing that he would accompany Bowker to this country about December 25th and would remain here several weeks, meeting all comers.

It is Bowker's intention to give Neil a return match on this side. Neil believes that he could turn the tables on the foreigner if the fight was to take

most desirous of seeing him win. It was told in all the papers just before the match that an agreement had been entered into by which the seconds in the men's corners were forbidden to yell or throw water under a penalty of \$1000. There was no way, of course, of silencing friends of the cause who did not happen to be seconds.

Sam Berger, a particular friend of Britt, took charge of the native son's coaching department, and after encoaching himself in Britt's angle of the ring gave vent to the screeches that Spider Kelley and the paid cornermen were prohibited from.

LOS ANGELES, Nov. 7.—J. Twin Sullivan of Boston, the man who invented baked beans as a training diet, is on his way to Los Angeles to prepare himself for his return match with Norman Selby, the builder of the cork-screw walloper with the sleeping portion attachment and the Kid McCoy appellation.

NEW YORK, Nov. 7.—Johnny Reagan, the Brooklyn bantamweight, who has been making St. Louis his home for the past six months, is out after another go with Frankie Neil, the Pacific bantamweight, who recently lost his title to Jem Bowker in England. Reagan has a twenty-round draw with Neil to his credit in San Francisco, and thinks that if the coast boxer would agree to another meeting he could take him into camp.

PHILADELPHIA, Nov. 7.—Joe Choyinski, the veteran, has reconsidered his determination to retire from the ring. Choyinski has accepted terms for a bout with "Philadelphia" Jack O'Brien and the two will meet in Philadelphia on November 14th. Jack and

H. A. Singlehurst beat H. V. Murray, 1 up.

H. McK. Harrison beat Prince Kuhlo, 1 up.

A. C. Lovekin beat F. C. Smith by default.

J. L. Woods beat E. C. Brown, 7 up and 6 to play.

M. McIntyre beat W. E. Fisher, 5 up and 4 to play.

C. D. Jones beat J. J. Harwood, 4 up and 6 to play.

C. B. High beat A. M. Webster, 9 up and 7 to play.

H. B. Giffard beat W. Buchanan by default.

NEW YORK, Nov. 7.—Johnny Mack, the New York manager, would like to match Danny Duane with Jimmy Britt at 133 or 135 ringside. He has Bob Armstrong, the negro heavyweight, on his staff, and is ready to take on Jack Johnson.

NEW YORK, Nov. 3.—Eddie Hanlon is after Terry McGovern for a return match. Since his defeat at the hands of "The Terrible," the little Californian has been thinking deeply and has finally decided that ice-cream and cake are bad to train on. He was fat the night he met Terry and thinks that if given a second chance when in first-class trim, he will be able to cop the long end of the money and his lost laurels. He has started training now in anticipation of a return match, and if he fails will take on some other good boy of his weight in the Quaker City.

both working hard and the team that wins must do some sprinting. This race will be an interesting race and one well worth seeing. The Myrtle boys have a slight advantage on account of condition. The old time rivalry is beginning to show and each club will support their boys to the fullest extent.

The races will be swam between the Bishop slips and can be seen to good advantage. No admission will be charged and a large crowd is looked for.

### Cavil on the Sierra.

Cavil, the champion swimmer of the world, passed through on the Sierra. He is on his way to his home in Australia.

### Chance for Ralph Rose.

Buzayell, he weighs 210 pounds, is twenty-five years old and stands five feet eleven inches in his shoes—has come to San Francisco. He is the champion wrestler of the world and if you don't believe what his managers say he is ready to place thousands of dollars in the hands of "The Examiner's" sporting editor and enter the lists even with Ralph Rose, James J. Jeffries, any Sandow or anybody. He has the catch-as-catch-can game, but will make a match at any other style. He goes abroad robed in a bale or two of cardinal drapery and if he wears the same clothes on the night after the interuniversity football game chances are the blue and gold boys who annually make the town howl will accept Mr. Buzayell's challenge.
